Cockfield, Knight & Company Ltd.

SPECIALIST SHIPS AGENCY SERVICES

With over 30 years' expertise and the backing of the AV Dawson group, Cockfield Knight is well placed to support all of your ships agency, port and shipping requirements into the River Tees and other ports in North East England.

From its offices on AV Dawson's North Sea Supply Base at Teesport, Cockfield Knight also provides shipbroking, vessel chartering and freight forwarding services worldwide.

Cockfield Knight has specialist expertise in shortsea, offshore, dry bulk, intermodal and project cargo. It is the appointed agent for many global brands, including Prysmian – world leaders in subsea cable manufacture and installation.
